

Dear Brother Knights,

This spring I will attempt to climb the world's tallest mountain, **Mount Everest**, and do so in support of charity. I will be heading to Nepal in March to do this, but in the meantime, I am preparing myself and also seeking donations for the charity I am supporting, **World Vision**. I kindly ask for your support in this endeavor, but just as important, I ask you to keep me in your prayers for a safe return.

Why climb for charity, and why World Vision? Two of my favorite and most rewarding activities in life are climbing mountains and giving to charity, and I hope to do both at the same time. With this climb, I am hoping to do my part to give back to the people that need it most. Climbing at high altitudes involves suffering and sacrifices, and living in conditions similar to those faced by the poorest in the world. It is not something many people can relate to, but it is something that makes me appreciate all the things that I have in my daily life that I take for granted. The things we live without while on these expeditions, some people live without all their lives, with no return date to look forward to like me. They are the ones that I want to support through World Vision.

For additional information, please visit my website at www.worldpeak.ca, or feel free to contact me. All monies raised will go directly to charity as I am funding this trip with my own money. I will be grateful and thankful for whatever support you are able to offer, and God bless!

Vivat Jesus!

Fraternally,
